Re: Proposed Amendments

Annually, the delegates of the Grand Guardian Council have the opportunity to propose changes to the Constitution and Bylaws of the GGC, BGC, SOP's of GGC & BGC, Bethel, Rules and Regulations of Grand Bethel and other Washington entities i.e. Evergreen, MWJD, Royal Purple, etc.

On the following page, you will find the form used to submit your proposal(s). The reference for amendments is SOP GGC 7 (Supreme pages) and WA SOP GGC 7 Please note: changes to the Rules and Regulations of Grand Bethel must be countersigned by a Daughters (see WA Grand Bethel Rules and Regulations 7). Once submitted to the GGC Jurisprudence Committee, proposals will be reviewed for accuracy of content and format and then presented to the voting delegates present at our Annual Session in June.

The Jurisprudence Committee will make every effort to see that your amendment is presented as you wish. If the committee has concerns, you will be contacted. Please use one form per proposed amendment, follow the directions on the form, and if your changes are in the wording, other than deleting, underline those word changes for an accurate reference.

Proposed amendments, complete with appropriate **original signatures** must be postmarked, as per our bylaws, **on or before March 15, 2019**. I would also appreciate receiving them electronically as well. This will allow me to forward them quickly and efficiently to the members of the Jurisprudence Committee.

If you have any questions, please do not hesitate to contact me.
