RULES and GUIDELINES

- Must be present to enter Instrumental Competition
- Individuals, and Small Groups may compete in this competition.
- All entries must have an individual Entry form. Small Groups may send one entry form for the performance. Entries must be received by the entry deadline see online entry form for deadline. No late entries will be accepted. If you would like confirmation your entry was received please email competeJD@gmail.com.
- Each Daughter may compete in no more than two Performing Arts Competitions.
- **You must bring three (3) copies of your music for the judges.** Any changes or revisions must be noted on each copy. Music may be edited to fit the length of the performance. Just be sure to note the change
- Performances must be at least two minutes and no longer than five minutes in length.
- The only instrument available for your use is a keyboard. It will be your responsibility to bring any other instrument you need for your performance. Music stands will be available for your use as well.
- You are being judged as if you were performing for others. You do not need to wear special clothing, just be sure that what you do wear is appropriate to wear to a performance, as you will be judged on appearance.
- Each performance is judged on their introduction. You must state the name of the entry being performed, who you are, and which Bethel/City you are a member of. Groups can have one spokesperson or incorporate each performer into their introduction.
- Please take the time to fill out all the requested information on the entry form. This assists us in making sure your entry is placed into the correct category and division. Small Groups must list the first and last name of all performers.
- Observers are encouraged and welcome to view performances. Please advise your guests that no one can enter or leave the room once the performance has started.
- It is traditional for the Jobie Weekend Chairs to ask the Competition Chairs to provide them with the names of three or four entertaining acts to perform on Saturday night at Jobie Weekend. Those asked to perform are not necessarily the top scorers in their events. Names of several acts per performance type are given to the chairs and they make the selections from those recommendations.
