

Warm greetings from Washington Job's Daughters! As we begin preparations for the upcoming Grand Bethel Drawing for Grand Bethel Officers and Representatives, we are excited to share the enclosed drawing requirements and information with you.

[Grand Bethel Drawing 2026-2027](#)

This year's theme, "Jobies are Otter This World," celebrates the uniqueness, teamwork, and joyful spirit that each Daughter brings to our Order. Just as otters thrive through cooperation and connection, we encourage each participant to approach this opportunity with confidence, positivity, and a strong sense of sisterhood.

Please review the attached requirements carefully and ensure all eligibility guidelines and deadlines are met. This process is designed to be both meaningful and fair, helping us select young leaders who will represent Washington with pride, enthusiasm, and dedication.

We look forward to witnessing the growth, courage, and excitement that this special tradition brings each year. Thank you for your continued commitment to strengthening our sisterhood and showing the world that Jobies truly are otter this world!

With warm regards and Jobie love,

Susan M Brady
